## **Kill Insect Pests with Organic Horticultural Oil**

Each year, the arrival of spring gardening season brings a new crop of insect pests. Prepare for the insect invasion with light-weight horticultural oil that can be used any time during the year to effectively control insect pests on even sensitive plants such as roses, impatiens and ferns.

Summit<sup>®</sup> Year-Round<sup>®</sup> Spray Oil is an environmentally responsible insecticide that kills a wide variety of insect pests including aphids, whiteflies, spider mites, mealybugs, scale, thrips, fungus gnats, leaf beetle larvae, lace bugs and more. Because of its low toxicity, organic Summit<sup>®</sup> Year-Round<sup>®</sup> Spray Oil can be used on garden plants and fruit trees right up to the day of harvest. The spray has no odor, and it can be used on trees, flowers, vegetable plants and indoors in greenhouses and on houseplants. Unlike chemical pesticides which can become less effective after repeated use, there is no known build-up of insect resistance to horticultural oil sprays.

Many pesticides kill insects with toxic chemicals, but Summit<sup>®</sup> Year-Round<sup>®</sup> Spray Oil literally smothers insects to death. The oil spray blocks an insect's breathing holes (called spiracles), causing insects to die from asphyxiation. Summit<sup>®</sup> Year-Round<sup>®</sup> Spray Oil is OMRI Listed<sup>®</sup> by the Organic Materials Review Institute and approved for use in certified organic production.

Summit<sup>®</sup> Year-Round<sup>®</sup> Spray Oil concentrate is available in three different sizes—one pint, one quart and one gallon. Also available is a handy one-quart bottle with a built-in hose-end sprayer. Find Summit<sup>®</sup> Year-Round<sup>®</sup> Spray Oil at garden centers, home centers, hardware stores and [www.summitresponsiblesolutions.com](http://www.summitresponsiblesolutions.com). The product is also marketed under the Pest Fighter Year Round Spray Oil label, which is exclusively available at participating Master Nursery garden centers.

Summit<sup>®</sup> and Year-Round<sup>®</sup> Spray Oil are registered trademarks of Summit Chemical Company.
